BALMORAL HALL SCHOOL
A UNIVERSITY PREPARATORY SCHOOL FOR GIRLS

BH is committed to helping students learn from meaningful volunteer experiences.
Students in Grade 9 through 12 are required to commit a minimum of 10 hours each year, from July to May.
We encourage all students to value participation in activities in serving the world around them. Interacting within a community, where the student can provide assistance, fulfills her individual sense of citizenship and the community's need for her contribution.

Students become aware of the global need for every individual's responsibility to his/her community to make the world a better place.

Balmoral Hall aims to develop inquiring, knowledgeable
and caring young people
who help to create a better and more peaceful world through intercultural understanding and respect.
